- Blushing / Antistat Additive
- Safely Stacks 12 units high

Millennium™ Chair Specifications

Frame: 18", 16", and 14" units: 1-1/8" diameter, 16-gauge legs. 12" and 10" units: 1" diameter, 18-gauge legs. All units are welded together with two seat brackets of 13-gauge die-formed steel, integrally tying all tube parts for maximum structural integrity. Units store with posi-lock™ stacking system. Chairs can be stacked within like sizes. Frame is chrome plated after all welding is complete.

Standard Chrome Finish: Chrome is comprised of metal layers (Nickel & Chromium) electrostatically bonded to metal. Our standard is 4-6 mills (25%-50% more than our competitors) of Nickel-it will not scratch. Our product is chromed on plateable quality tubing after all welding is completed to prevent rusting on unfinished welds.

Glides: Glide base material will be thermomolded from synthesized hybrid copolymers. Glide attachment will be a standard internal gripping spring steel umbrella at least 5/8" diameter or larger. The glide will have a ferrule. Glide casing and ferrule shall be constructed of durable case hardened steel; no plastic. The glide will be of full swivel design, silent and firm fitting for positive attachment and retention. All glides must make full level contact with the floor and the maximum swivel angle of the glide shall not be violated.

Shell: One-piece shell is injection molded from special high impact, blush resistant polypropylene plastic with and antistatic additive. Textured surface is etched to provide a non-slip surface while assisting in maintaining like-new appearance. Flanged opening in the back adds strength and ventilation. The underside of the shell is molded with an advanced rib pattern transferring weight directly to the frame. The shell is attached to frame with four concealed machine rivets.

Shell Colors: Available in standard Black, Navy, Wine, Taupe, Hunter, Mint, Green Apple, Teal, Cardinal, Sky, Sunflower, Sunset, Slate, Copper, Orchid, Violet, Java, and Burnt Orange.

Warranty:

- Limited lifetime frame warranty
- Ten Year Comprehensive Warranty

Models:

- 2508 • 18" ■ 2506 • 16"
- 2504 • 14" ■ 2502 • 12"
- 2500 • 10"
- 2508P • 18" - Padded Seat and Back

Shell Sizes:

- 2508 15-3/4" wide x 15-1/2" deep
- 2506-04 13-1/2" wide x 13-1/2" deep
- 2502-00 11" wide x 11" deep.

F E A T U R E S
