- Advanced Posture Design
- 16 Gauge Legs
- 13 Gauge Under Structure
- Lifetime Frame Warranty
- 3 Seat Heights
- 18 Standard Shell Colors
- Blushing / Antistat Additive

### Millennium™ Combo w/bookbasket Specifications

**Frame:** 1-1/8" diameter, 16-gauge tubing legs swaged to 7/8" x 3/4", 16-gauge side brace mig welded to both front and rear leg support, and top support. 1-1/8", 16-gauge top support forms a complete "U" underneath the desktop for full support and unrestricted entry. The rear legs and top support are welded to two seat brackets of 13-gauge die-formed steel, integrally tying all tube parts for maximum structural integrity. Frame is chrome plated after all welding is complete.

**Bookbasket:** 8-1/2" x 12" x 11-1/4" made of 1/4" steel rod and welded to the frame at four points.

**Standard Chrome Finish:** Chrome is comprised of metal layers (Nickel & Chromium) electrostatically bonded to metal. Our standard is 4-6 mills (25%-50% more than our competitors) of Nickel—it will not scratch. Our product is chromed on plateable quality tubing after all welding is completed.

**Shell:** One-piece shell is injection molded from special high impact, blush resistant polypropylene plastic with and antistatic additive. Textured surface is etched to provide a non-slip surface while assisting in maintaining like-new appearance.

Flanged opening in the back adds strength and ventilation. The underside of the shell is molded with an advanced rib pattern transferring weight directly to the frame. The shell is attached to frame with four concealed machine rivets.

**Glides:** Glide base material will be thermo-molded from synthesized hybrid copolymers. Glide attachment will be a standard internal gripping spring steel umbrella at least 5/8" diameter or larger. The glide will have a ferrule. Glide casing and ferrule shall be constructed of durable case hardened steel; no plastic. The glide will be of full swivel design, silent and firm fitting for positive attachment and retention. All glides must make full level contact with the floor and the maximum swivel angle of the glide shall not be violated.

**Shell Colors:** Available in standard Black, Navy, Wine, Taupe, Hunter, Mint, Green Apple, Teal, Cardinal, Sky, Sunflower, Sunset, Slate, Copper, Orchid, Violet, Java, and Burnt Orange.

**Top:** Solid molded thermo-set plastic (18" x 24" x 5/8") with smooth molded edges, pencil groove and homogeneous color. Top is attached using self-tapping screws into seven uniformly drilled holes.

**Top Colors:** Available in standard Sand and Slate. Optional Charcoal, Grey Nebula, Maple, Oak, Mahogany, and Walnut

- Warranty:**
- Limited lifetime frame warranty
  - Ten Year Comprehensive Warranty

- Models:**
- 2918•18" Seat Height
  - 2916•16" Seat Height
  - 2914•14" Seat Height

- Shell sizes:**
- 2918 15-3/4" wide x 15-1/2" deep
  - 2916 13-1/2" wide x 13-1/2" deep
  - 2914 13-1/2" wide x 13-1/2" deep

Optional Hard Plastic Top Colors:  
Grey Nebula, Charcoal, Maple, Oak, Cherry, Walnut, and Mahogany.
